

2012 Youth Ski Trip Sugar Mountain, NC January 13-16

CRAVE had a successful ski trip to Sugar Mountain Jan 13-16. We had terrific weather, it never got above freezing, and it snowed three inches Saturday night. By the end of the trip everyone was able to ski, at least a little bit. When we weren't on the slopes we were at the cabin enjoying each other's company, watching football, or playing in the game room. We enjoyed devotions and quiet times in the midst of God's beautiful creation. Thanks to all the volunteers and leaders who helped make this ski trip such a success.
